

Interagency Committee of State Employed Women (ICSEW)

CELL PHONE DRIVE

Put your old cell phone to good use!

ICSEW sponsors an on-going cell phone, cord and accessory drive.

Who receives my cell phone?

Cell phones donated to ICSEW are delivered to the **Human Response Network**, a non-profit organization committed to combating domestic violence, providing emergency relief and supporting health and education initiatives. Its services are open to women, men, teens, children and the elderly.

How will my cell phone be used?

The Human Response Network distributes donated cell phones to domestic violence victims for 9-1-1 services only.

How is the security of my phone addressed?

All personal information is deleted from donated cell phones. Or, delete it yourself before donating the phone.

What items are needed?

Cell phones along with batteries, cords and any accessories.

Can I report this to the IRS as a charitable contribution?

Your donation may be self-reported to the IRS. If you would like a receipt, please attach a note along with your donated cell phone and a receipt will be sent to you.

Help save a life!
